WEIGHING STATIONS FOR COAL.

The following scales have been designated by the Mayor as weighing stations for coal and coal vehicles under the provisions of chapter 327 of the Laws of 1900:

Under this law every purchaser of coal in New York City has the legal right to call any load of coal so purchased to be weighed, provided such load be provided that the scales shall be no more than one-half mile distant from the place of loading or on the point of delivery of said coal.

The weigh master is entitled to a fee of 15 cents a ton, which must be paid by the purchaser, and which may be given to the driver of coal by any other person, with the coal.

TROW'S
STREET AND AVENUE DIRECTORY

OF THE

BOROUGH OF MANHATTAN

Corrected May 1, 1906.

FOR STREET DIRECTORY OF THE BOROUGH OF THE BRONX SEE PAGE 127

Entered according to Act of Congress, in the Year 1906, by
THE TROW DIRECTORY, PRINTING & BOOKBINDING CO.,
in the Office of the Librarian of Congress at Washington.

EXPLANATION.

If you wish to find the location of any dwelling house or store, other instances, No. 80 **ALLEN** Street, you look for the Street Directory (see **ALLEN**) and find above that no. is between the 60th house of that street and on the corner of Grand and 86 All [illegible] Street, between Grand and Houston, hence the house in question must be on the 20 block, will be on the right hand side of Allen Street, between Grand and Houston.

Streets running east and west up to Broadway, and west, to Varick Street, so as to run at 2 Hudson Street, can be found in the **HUDSON** of the corner numbers as Hudson Street, you will observe that 2 Hudson Street is on the corner of Bleecker, hence by passing from Broadway on Bleecker Street to the Hudson, you are near to the next number, 236.

NOTE.—For location of apartment houses and villas, buildings see pages 92 to 197.

NOTE.—The following resolution, adopted by the Board of Aldermen March 21, 1882, and approved by the Mayor March 25, 1882, will explain the plan of numbering the streets north of Harlem River:

That Willis avenue be numbered, commencing at the Harlem River, and that said numbering run continuously through Willis, Melrose, and Webster avenues.

That all other avenues in the Twenty-third and Twenty-fourth Wards having a generally northerly and southerly direction, be given the same number at the cross streets nearest their southern terminus as that on Willis, Melrose, and Webster avenues at the intersection of said cross street, and then numbered accordingly.

NOTE.—The following resolution was adopted by the Board of Aldermen April 1, 1902, and was received from the Mayor April 15, 1902, without his approval or disapproval thereof; therefore, as provided in Section [illegible] of the Greater New York Charter, the same took effect as if he had approved it.

Resolved, That the names of all streets, heretofore named by proper authority, west of Jerome avenue, in the Borough of the Bronx, running from east to west, be and the same are hereby changed by prefixing the word "West" to each and every of the respective names of such streets, and that hereafter, whenever a street west of Jerome avenue, in the Borough of the Bronx, running from east to west, shall be named, the word "West" shall be prefixed to the balance of the name given to such street; that the names of all streets, heretofore named by proper authority, east of Jerome avenue, in the Borough of the Bronx, running from west to east, be and the same are hereby changed by prefixing the word "East" to each and every of the respective names of such streets, and that hereafter, whenever a street east of Jerome avenue, in the Borough of the Bronx, shall be named, the word "East" shall be prefixed to the balance of the name given to such street.
